

BALI RETREATS IN 2027

Joanne Fedler

16-23 JUNE

WRITING IS MEDICINE FOR THE SOUL

Through guided journaling, free writing, sensory mapping, micro-memoir, poetic inquiry, dream capture and observational prompts, this retreat is designed to nourish your spirit, awaken your senses, and access the deeper wisdom within you.

Whether it's creative expression, inner healing, or joyful reflection you need, this retreat is the medicine to retrieve the deeper life that speaks in silence to you, and longs for expression. [READ MORE](#)
